Happy New Year everyone!!

Closure

We have had a bout of sickness and diarrhoea go round and after liaising with the Health Protection Agency we have been told to close the home to all visitors and to cancel all appointments where possible - we have had to re-arrange some activities for this month. I will do a ring round to let everyone know when we are open again.

Going for Gold!!!!

We have been accredited with the Gold Standards Framework!!!!!! Special thanks to everyone involved with this work and especially for the exceptional support received from Rosaleen Bawn!!!! Claire and I will be going to London in a few weeks for the official GSF awards which is something everyone should be proud of.

Snow Days

We all hope that everyone is safe and well, thankfully so far we've been fully staffed, with a few staff staying overnight for the next days shifts. I must say special thanks to Sarah Guthrie, Kayleigh Price, Janet Brown, Fran Jooty, Linda Collins, Dale Chadwick, Val Woolery, and Andrew McCallion and Haley Brook for all their extra hard work.

2009

What a fantastic year we had - the staff worked really hard throughout the year and we wouldn't know what to do without them, they have been tremendous!!

Special thanks to Mrs Newton, Mrs Browning and the children of Linthwaite Clough School, who have performed and entertained the service users throughout the year. As a first attempt to get as many people on an outing, the visit to the school this month was magnificent, with a third of service users being able to attend - a definite must do again please!!! Activities have and will continue to play a key part of everyone's daily life and such events like these have proved to be so beneficial.

Thanks to all our suppliers and outside agencies, especially Libby and her team at Peach Chemists (who have run round nearly every evening!!), Andways, Mrs Bickerdike, Kim, Dave, Jeff, Mrs Garbett and the Valley Flute Ensemble, Jo Haslam at RAYS, Rosaleen Bawn and Karen Hindle (you absolute stars), Dr. Gehlhaar, Anne Martin and Paula Morley (for their continued guidance and involvement - bless you), Mr and Mrs Freeland for their very generous donation, Mrs Dent, Mrs Young, Mr Williams, Mrs Buscher and the Friends of Green View House who come in voluntarily to take part in focus groups and more individualised activities that have really paid off!! We can't forget our fantastic GP's, Drs. Wybrew, Dr. Boulton, Dr. Bairstow, Dr. Culliney, Dr. Grunsell and Dr. Stiles.

Activities!!

This week we will be changing the theme of our reminiscence area to 'Song and Dance'. Below are re-scheduled activities (I'm sure we'll get the Irish Jig CD out to keep us going whilst we're closed),
