Dear relatives and friends,

A busy month!!

We're in the process of completing Deprivation of Liberty plans (which form part of the Mental Capacity Act) for everyone residing at Green View House. This is to ensure that people are not deprived of their liberty and these are done in a persons best interests. If you would like any further info on the Deprivation of Liberty Safeguards then do get in touch with me. We've also had some building work done on the upper floors – thanks must go to Paul McKean and his team at Homeline for their excellent work and professionalism (they didn't give us a discount though for me writing that). On a lighter note the garden is looking a lot brighter since we gave it a good clear up a few weeks ago and the daffodils are finally coming out after a very chilly winter!!

Staffing

Congratulations to Linda Collins who has achieved her Level 2 in Care and to Glennis Wood who has achieved the same at Level 3. Also big congratulations to Lucy Spurr who will be going to Liverpool University to study Medicine, I am hoping she will be back on weekends to work with us. We must also pass on thanks to Dale Chadwick, Team Leader, who will be leaving us mid April to move back to Bolton to be with his family. Dale has been with us for nearly 2 years and his contributions to Green View House have been much appreciated – we wish him well for the future.

Activities

Lucy will be in touch with some of you regarding Life History Work, which we will be giving lots of attention to over the next few months. Thanks to Keith Smith at Adult Services too for the £300.00 towards this work.

The summer art work has started and is looking lovely, the reminiscence road-show was a treat too, I will put up some more photos in the Lobby of our ongoing work. Below are activities planned for April:
