Dear relatives and friends,

Care Quality Commission (CQC)

We have submitted our application to be registered with the CQC, as has the manager's post for me to be registered. We have received copies of the Essential Standards of Quality and Safety published by them, ALL 422 PAGES which will make some lovely bed time reading to make sure we're complying with these new standards.

Dignity in Care Network

Last month I attended a network meeting with other professionals from across the care sector in Kirklees. I have finally received a copy of the DVD 'Can Sir Robinson Fix Dementia Care Homes?' which is something being circulated amongst the staff with a questionnaire to evaluate our own practise and areas of development, responses will be included in this years audit. Another 'Personal Dignity Audit Tool' has been sent out to all staff to allow us all in personally reflecting our practise.

ICT Update

As you know we submitted an expression of interest for the 'Get connected Investment Project', unfortunately we were unsuccessful this time. However we have been informed the Social Care Institute for Excellence will be cascading this out again in the future. In the meantime, we have allocated some of our budget to purchase a new laptop to enable staff to access training through e-learning with the Learning & Development Unit. We will be looking at reviewing the way we do documentation in the next few months.

Protected Mealtimes

I have now put a sign up on the front door!!!! Meals are served between 9am - 10:30am, 12:15pm - 1:45pm, 4:30pm - 5:30pm. Please spread the word!!
