Dear relatives and friends,

Christmas!!

This year has flown again but earlier in September we started booking events for Christmas, this is coming along nicely and we will publish all events with the next newsletter. Christmas Party – date for diaries: Saturday 18th at 2pm.

Staffing

We wish Lucy well as she has gone to Liverpool University to study medicine, she will still be coming back to work with us whilst she is not studying. Also good luck to Hope with her studies at New College. Val Woolery has been appointed as team leader; she has over 32 year's experience of working in care – congratulations to her.

E-mails!!!

I have written a list of relatives and friends to ask for e-mail addresses, it is a much more effective way of communicating with you and is better for the environment!! Thanks for those so far.

Suppliers

We have changed our meat supplier – we now use Haigh's that are based in Meltham who use locally reared produce (they cost slightly more but their sausages are to die for!!). Also a few lovely comments over the flowers that were presented at our summer party, we use Country Flowers who are also based at Meltham who do some fabulous arrangements for all occasions.

Care in Kirklees Newsletter

Bronwynn Bennett has asked us to be featured again in their winter edition; there will be some photo's used also for this article. I will use the pictures that I used for the presentation at Kirkwood and will call on next of kins/representatives if I use any others.

Social Care Institute for Excellence (SCIE) Get Connected project

The SCIE have agreed partial funding (a total of £2,886.98) for our Interactive Board, speakers and projectors, laptops etc to further enhance our in-house activities and education. As we haven't yet created the marquee with heat lamps and after discussion with service users we have decided to use the Residents Fund to go towards the other half. £3,154.39 is in the resident's pot which will contribute towards this work...

Audit

This is now complete and available for all those interested.

Planned activities for the month are enclosed. Thank you for your continued support,
