26.1.11

Dear relatives and friends,

Housekeeping

Mark and Phil have been busy clearing out the cellar and the back stores, the gardener has been pruning all the bushes and Kevin has cleared out all the gutters, hence the reason for the overflowing skip in the car park!! Room 15 has been decorated as has room 10 and 11; we're just waiting for the remaining furniture, carpets and curtains to be put in.

Staffing News

We're very pleased to welcome Bev Beadsworth RMN who has joined the nursing team, also Alyson Britton and Shelagh Moran; we look forward to working with them in the future.

Get Connected

The speakers are now installed and we are fully up and running. After the meeting with service users, it was decided that we would look into purchasing further resources for the Interactive Board. Activities for the month are enclosed!!

Protected Mealtimes... Again...

We have changed the times following a review of our catering policy. **We will be CLOSED between the following times to focus on nutritional intake. 9am – 10:30am, 12:30pm – 2pm and 5pm – 6:30pm.** Also we are closed to visitors from 8pm, this is to promote the dignity of service users.

Gold Standards

Jenny has had a browse through all care plans and I will be writing to individuals who have not got an advanced care plan in place for their loved one. It is so important that we have wishes and best interests in place for people who we care for.

Fire Safety

We now test our fire alarm on a Wednesday at 11am. The siren will sound for a short period, however if this is prolonged, visitors are requested to assemble in the front car park.

All welcome to the Dignity Action Day on 25th Feb. We look forward to seeing you soon!!
