Dear relatives and friends,

#### The National 3 Peaks

Paul and Danny from Homeline and a few others will be carrying out the National 3 Peaks on 17<sup>th</sup> June. A sponsorship form is attached. Thanks to Uniform & Leisurewear for the t-shirts and suppliers who have sponsored us so far. All monies raised will be going directly to the Residents Fund. We'll have a residents meeting to see what this can go towards...

#### Residents Fund Update

Big thanks to the family of the late Mary Parkinson who have donated £150.00 to the Residents Fund. We have decided to put this money towards a greenhouse to support our veg project.

#### Red Nose Day

I'm afraid Claire would not let me have my hair shaved as she says I invest a lot of money towards my hair. However, we had none uniform day, Andy tried to think red (the pink custard was interesting) but unfortunately we forgot the red wine!! Staff donated an hour's work and we watched lots of comedy in both lounges, this raising £156.12.

#### Training

Again another busy month for training, we've had the IMCA service in, Caroline Hoath has carried out training on Safeguarding too. We also had an evening watching a two part documentary on 'Fixing Dementia Care Homes' where staff gave some very positive feedback and gave thought to our own care practice. Various staff have been on day release to update their training with the Learning and Development Unit. Congratulations too to Kayleigh Price and Jenny Game for achieving her Advanced Apprenticeship in Health and Social Care. Kayleigh has also been on an activity training session to support our in-house activities so watch this space...

#### Care Quality Commission (CQC)

I have downloaded the Provider Compliance Assessment Tool and have started working through this document to ensure that we are providing good quality outcomes for people using our service (lots of late nights). If you would like to see the tool you can go to: <http://www.cqc.org.uk/guidanceforprofessionals/independenthealthcare/ourmonitoringofcompliance/howwemonitorcompliance/howwegatherinformation/providercomplianceassessment.cfm>. I will not comment any further!!

**Dignity Action Day!!**

We all had our hair done, nails were clipped (some varnished), Sarah was busy with the veg plot, Marie cracked on with the tie dying, music in one lounge and a film was playing in the other, Dorothy was shattered after washing up at lunch and had a foot spa in the office, Mary soon followed and didn't want to move – overall a lovely event where the focus really was 'the gift of time', photos have been put on the website. As a result we have decided to have 'Activity Days' each month.
