Dear relatives and friends,

#### Our new guests...

We have 2 new guests at Green View House, we agreed on names, Whiskey and Fluffs, the activity is displayed in the lobby, of course they will be risk assessed!!

#### A great month!!

Breath of Fresh Air Week has gone really well, a pity about the weather on a few of the days, but still a great week. The veg plot is coming along nicely and we're going to start growing our own flowers and plants from scratch for the garden, despite the wind catching the greenhouse and it ending up 3 doors down the road!! Mark has been busy decorating and patching up a few areas of the home too.

#### ICT

An e-mail was sent out from our old e-mail address a few weeks ago, the e-mail consisted of a link to go to another website (I won't go into too much detail here!!), I can only apologise for this. Our e-mail account had been hacked, however since, has been shut down. Our only e-mail address now is [adam@greenviewhouse.com](mailto:adam@greenviewhouse.com).

#### Sponsorship!!!

Remember the National 3 Peaks 24 Hours challenge is upon us, all monies going to the Residents Fund. Again as said before, we will be relying more on the Residents Pot to fund resources for further activities in house such as rabbits, chickens etc.

#### Dementia Awareness Week

This will take place on Monday 4<sup>th</sup> July, we have some reminiscence activities planned using our new Digital Reminiscence Therapy, a focus for that week will be our life history's.

#### HUUUUUUUUUGE THANKS!!

A big massive thanks to Sarah Guthrie, who, in her own time has been making new curtains from scratch for the front lounge, she has done this completely free of charge. This is to support our activities with the interactive board as the sun was shining in and we were unable to see!! I also hear that Jenny Logan will be doing the same on a night for one of the bedrooms, again massive thanks.

Activities are attached as is another sponsorship form!!
