Dear relatives and friends

Staffing News

Fran Jooty has chosen to take retirement due to her knee replacement taking its toll – our thoughts are with her and we wish her a happy retirement. Danny, our handy person has left for a year in America, he will be returning to us for a month in Feb and return back to us then in July. Anji is also going to Australia for 4 years and Sophie Lang will also be leaving to go to Preston University to study midwifery. Big thanks to all 4 whose input has been much appreciated. Louise Dent has been accepted at Huddersfield to study a Health and Community Degree (good luck) and Mehnaz has had a baby girl weighing 7lb 1 oz – big congratulations!!

Another busy month!!

We were visited by the lovely Paula and Rita from Contracts and Monitoring at the beginning of the month who have left us with some items to work on (thanks for that). The ground floor bathroom toilet has been completely gutted and is looking so much better to facilitate those who need more support with mobility and the middle floor shower room has also been given a complete makeover – big thanks to Danny. Jenny has been carrying out observations to ensure that all staff are complying with infection control and I have been carrying out appraisals.

Audit 2011

At the moment I am compiling our audit which should be ready by the end of September/mid November. I am also compiling the refurb/development plan for the next 12 months. If you do have a questionnaire then please send it in as soon as possible - we have had a rather poor response with these and value your feedback.

Harvest Festival – Saturday 17th September!!

We are taking donations for our Harvest Festival – we will be having a bottle stall and a raffle. ALL DONATIONS WELCOME!! This is an open invitation and is our open day for the year. The more the merrier. We will be making bunting to decorate the home and country flowers are making some arrangements with service users beforehand to make the home look 'harvesty'. One main event will be our hamper which will be auctioned, all grown on site we hope, if not it's a trip to Sainsbury's!! On the 18th we had some strawberries which went down very well!!!!

Gold Standards Framework for Care Homes(GSFCH)

Just a reminder – we have gone through the care plans and note that some still have not got an advance care plan in place. Can you please get in touch with us if you have not completed this. I will send out individual reminders next month.

Activity day is on Friday 30th; we look forward to seeing you!!
